COMPANY PROFILE

www.choiceitsolution.com

WE PROVIDE

Preventive Maintenance Contract

The IT Support Contract option provides you with a "fixed price" package of services, customized to your specific company requirements, and includes access to our Remote and Onsite Support Services.

On Call Basis

We provide end-to-end technological solutions to small and medium-sized organizations. Our IT technical support packages include full-service hardware installation and maintenance provided where you need it, when you need it.

Annual Maintenance Contract

CHOICE INTERNATIONAL LIMITED is engaged in undertaking IT Annual Maintenance Contracts and Annual service contracts. We have a team of expert professionals, which are engaged in providing effective maintenance services.

Onsite Support

Our onsite support team helps your company to set up systems and simultaneously trains your staff to address the miniscule day-to-day issues with great ease and comfort.
